

# Rankers Mind Audit Report

URL Audited: <https://rankersmind.com>

## Summary:

Based on the audit, your website is performing well in most categories.

- Performance may be improved by optimizing images, reducing JavaScript, or enabling caching.

- SEO score is great, but consider using structured data for better search visibility.
- Accessibility is high; ensure color contrasts and alt texts remain in check.
- Best Practices look strong; keep libraries and frameworks up to date.
